Bruce joined Inland Companies as Senior Vice President of the Construction Department November 1980.

Bruce is responsible for overseeing a staff of project managers, project superintendents and administrative staff while handling the day-to-day operations of the department.

With over \$130 million of completed projects in his portfolio, his scope of services extends from tenant improvements to ground-up construction of office, retail, industrial, multi-family and other commercial projects. In charge of internal and external construction business development, Bruce assembles proper teams to ensure that the client's needs are always met. Bruce's strong leadership and communication skills help him provide exceptional service to clients and deliver projects on time and on budget.

Some of the projects in Inland Construction's portfolio include Executive Centers V & VI, Brookfield; 401 N. Executive Drive, Brookfield; Franklin Park Industrial Centers I & II, Franklin; Gateway Business Center, Brookfield; Stadium Business Centers I & II and Stadium Business Park II, III and IV, West Milwaukee; West Bay Commerce Center, Mequon; 222 Erie Street, Milwaukee; 215 N. Water Street, Milwaukee; M&I Bank (Milwaukee, Arizona & Florida); State Farm Insurance, Madison; and Gateway Plastics, Mequon.
