Greg joined Inland Companies November 1989 as corporate controller.

Greg's daily responsibilities include administration of the corporate general ledger, accounts receivable, accounts payable, budgeting, job cost, fixed assets, payroll, cash management, tax reporting and insurance. Greg also reports financial results to all department heads for the various divisions of Inland including Property Management, Facility Maintenance, Brokerage and Construction.

Prior to joining Inland, Greg was the controller for three years at Ingersoll Industries, Inc., a cable television and operating company and prior to this position was the Supervising Senior Accountant at a public CPA firm for eight years.
