Larry joined Inland Companies with 18 years of experience in property management. He is a knowledgeable property and facilities management professional with outstanding skills and a proven track record in the profitable management of commercial properties. Larry utilizes effective communication skills with team members, contractors and service providers to result in high levels of tenant and client satisfaction.

In addition to successful management of all types of commercial properties, Larry also draws on previous experience in multi-family management, Section 42 senior housing and self storage units.
