Mark A. Schnoll joined Inland Companies as a partner and shareholder in 2003. Prior to Inland, Mark was a Principal with MLG Commercial in Brookfield, WI.

Since 1994, Mark has been involved in multiple facets of commercial real estate including the sale and leasing of over 100 industrial and commercial properties, the sale of over 1,000 acres of industrial and single family land for development, disposition of numerous investment properties, and structuring joint venture partnerships for ground-up and adaptive re-use developments. He has an excellent working knowledge of construction, finance, management, and sale & leasing of commercial real estate.

Mark also has developed a specialty in creditor disposition work, specifically Chapter 128 Receiverships, foreclosures, and debtor-in-possession. He has worked for numerous bankruptcy and receivership attorneys as well as lender disposition teams in the sale and disposition of troubled commercial assets.
