**BROOKFIELD, Wis.** – Travelers Indemnity Company has signed a lease for 36,584 square feet of office space at Pinnacle II in Brookfield, WI. With this lease, the park’s occupancy rate is almost 100%. Due to the success of the park, Big Bend Development is amidst planning the addition of the fourth and final building to the Pinnacle at Bishops Woods office park.

Marketing for Pinnacle IV is currently underway and is being handled by Dan Wroblewski and Steve Pape of the Inland Companies, Inc out of Milwaukee, WI. The fourth office building is expected to be in the range of 50,000 square feet. It will be located on the eastern end of the Pinnacle at Bishops Woods and will front I-94. The expected delivery date of the building will be contingent upon finding an anchor tenant.

“The Pinnacle at Bishops Woods is one of the premiere office parks in this market. The addition of a company like Travelers only enhances that image. We are excited about the expansion of the park and feel that Pinnacle IV will offer a unique opportunity for tenants in the Brookfield office market in the coming years” said Dan Wroblewski of Inland Companies.

The Pinnacle at Bishops Woods is a highly-regarded Class A office project located in prestigious Bishops Woods at Sunnyslope Road and Bishops Drive in Brookfield, WI. The 28-acre corporate campus currently comprises 250,000 square feet of office space within its three buildings.
