Inland Companies, Inc. is pleased to announce the following Construction Projects:

Inland Construction is pleased to announce the completion of the tenant build-out for Boelter & Lincoln located at 222 E Erie, Milwaukee. Inland completed the historical renovation of the Erie Building in 2006. This 6,500 sq ft build-out included unique architectural features such as a period fire door, complete steel plated wall and beautifully designed drywall features. Ron Issleb, Project Manager for Inland Construction, expedited the completion of this project
