Inland Companies, Inc. is pleased to announce the following completed Sale Transactions:

Pellet America Corp. has purchased a 250,000 SF complex on the west side of Appleton, WI. The building sold for a purchase price of \$500,000. The property has various environmental and other capital expenditures required to get it into usable form, thus the low per SF price. Pellet America recycles various waste destined for landfills into energy pellets. Mark A. Schnoll of Inland Companies represented both buyer and seller.
